

DO YOU BELIEVE EDUCATION CAN REGENERATE SOCIETY?

DO YOU FEEL THAT EDUCATION SHOULD BE SUPPORTED BY SOCIETY AT LARGE?

Surely, education has no meaning unless it helps you understand the vast expanse of life with all its subtleties, its extraordinary beauty, its sorrows and joys.
~ J Krishnamurti

Centre For Learning (CFL) is a non-hierarchical teacher-run school consisting of a small community of teachers, parents and students who are interested in nurturing compassionate and sensitive human beings with global minds wishing to learn in a co-operative environment. Each year we offer unlimited and uncapped scholarships to any of our families who request them. This makes CFL accessible to any student whose parents are serious about a different kind of education and who wish to join us in our philosophical exploration. We need your help with this endeavour.
